GLOBAL MEDICAL SHIPPING

There's no one-size-fits- when it comes to shipping Anatomical Specimens & Medical Equipment. How you pack, label, and ship varies depending on whether you're sending to a university, doctor's office, hospital, or a Bioskills Training Facility. Visibility matters too and our GPS Tracking Options, Arrival, Departure, delay and cancellation notifications are some of the most reliable and accurate tools available today.

SHIP WITH CONFIDENCE

With more than 700 domestic and worldwide agents in 250 locations across six continents, FSI is the Specialized Logistics team that helps you SHIP WITH CONFIDENCE!
